

(b) if so, the reasons therefor;

(c) the steps taken or proposed to be taken by the Government to ensure reasonable price to rubber cultivators; and

(d) how the Government ensure that the support price declared by them is obtained by the cultivators?

THE MINISTER OF STATE OF THE MINISTRY OF COMMERCE (SHRI P. CHIDAMBARAM) : (a) to (d) There has been no decline in the price of Natural Rubber. A Buffer Stocking Scheme is being operated with a view to maintaining the natural rubber prices within a range which is remunerative to the rubber growers and fair to the user industry. A Bench Mark Price is fixed from time to time for natural rubber with an upper and a lower ceiling. The Buffer Stocking Scheme also provides for procurement of natural rubber from the domestic market when the price tends to go below a reasonable level.
